woodgrain

The timber look is rapidly becoming the material of choice for worktops.

WG

Textured Woodgrain
A finish that compliments the pristine nature with its natural wood-like tactile qualities.

SG

Synchronised Woodgrain 37
Authentic solid wood finish, which is emphasised with its synchronised surface on the decor, giving the cracks and knots a tactile feel.

MW

MattWood
Inspired by the elegant finish of a finely sanded and varnished timber veneer, this texture gives a silky matte finish exposing the subtle gloss of the wood grain.
